this fourth volume contains two treatises of biblical exposition the first treatise is a godly and learned exposition upon the whole epistle of jude finding the purpose of jude s letter in verse 3 perkins calls for all christians to persevere in professing the gospel by taking heed of false teachers and deceivers who seek to infiltrate the church while many of his points of application reflect a context peculiar to the elizabethan era his insights into what it means to contend for the faith still prove applicable today the second treatise is a godly and learned exposition or commentary upon the three first chapters of revelation giving careful consideration of the seven letters to the seven churches of asia perkins highlights the person of christ and his significance to the church focuses on what christ approves and rebukes about the condition of the church and emphasizes christ s bounty and humanity s duty troubled by the prevalence of those who accept empty profession as conversion and dead formality as godliness perkins urges his audience to move beyond mere intellectual assent to

heartfelt dedication to christ

first time publications of letters from 25 year correspondence between famed charles scribner s sons editor max perkins and virginia socialite elizabeth lemmon

this ninth volume brings together nine of perkins s lesser known practical treatises and by so doing introduces the reader to important facets of his religion of the heart it opens with two works on what it means to look to christ a declaration of the true manner of knowing christ crucified and the true gain this is followed by a faithful and plain exposition upon zephaniah 2 1 2 which gives an earnest call to repentance and the nature and practice of repentance as well as the combat of the flesh and spirit which give systematic explanations of the doctrine of repentance a treatise of man s imaginations discusses man s desperate need for renewal of mind a direction for the government of the tongue according to god s word argues that one s speech is the most significant change related to a renewed heart the volume finishes with a discourse of the damned art of witchcraft and a resolution to the country man on prognostication which rebuke those who dally with occult practices each treatise in this volume occupies an important place in perkins s experiential piety what he himself described as the more sincere profession of religion

william perkins and the making of protestant england presents a new interpretation of the theology and historical significance of william perkins 1558 1602 a prominent cambridge scholar and teacher during the reign of queen elizabeth i though often described as a puritan w b patterson argues that perkins was in fact a prominent and effective apologist for the established church whose contributions to english religious thought had an immense influence on an english protestant culture that endured well into modern times the english reformation is shown to be a part of the european wide reformation and perkins himself a leading reformed theologian in a reformed catholiclike 1597 perkins distinguished the theology upheld in the english church from that of the roman catholic church while at the same time showing the considerable extent to which the two churches shared common concerns his books dealt extensively with the nature of salvation and the need to follow a moral way of life perkins wrote pioneering works on conscience and practical divinity in the arte of prophecying 1607 he provided preachers with a guidebook to the study of the bible and their oral presentation of its teachings he dealt boldly and in down to earth terms with the need to achieve social justice in an era of severe economic distress perkins is shown to have been instrumental to the making of a protestant england and to have contributed significantly to the development of the religious culture not only of britain but also of a broad range of countries on the continent
